NURSES
find
SCHOOL JOBS!

Looking for a job in education? Know someone who is?

Teachers, future teachers, nurses, administrators, counselors, librarians, specialists, and a long list of paraprofessionals will find a growing number of job openings at schools of all different "shapes and sizes" (day-care centers, public and private schools, colleges, graduate school programs, etc.) posted on **schoolSTAFF.com**.

FREE FOR JOB SEEKERS Enter your resume into schoolSTAFF.com and education employers can find you! In fact, you don't even have to search for your next job. Use our "**Notify Me!**" feature and our technology will constantly review each new posting and automatically notify you via email when we find a match for your background and interests. And, you can do all this while protecting your identity from your current employer. Put **schoolSTAFF.com** to work for you to find a job (for you or a friend) or to manage your resume and professional portfolio until the day comes when you want—or need—to find a new job.
